THE PATENT

MEDICATED INDIA RUBBER Porous Plaster

FOR RHEUMATISM, LUMBAGO, GOUT, &c.

IN all cases where it is thought advisable to keep up permanent stimulant impressions on or near the organ diseased, these plasters will be found highly valuable. In fact, all the benefit that can accrue from a continuous counter-irritant, will be produced in the most efficient manner by them. As in rheumatism, gout, enlargement of the joints, chronic disease of the liver, spleen, lungs, or other internal organs, in short, in all other cases where warming or strengthening plasters are beneficial, these will be found to be superior to any now in use. MITCHELL'S EYE SALVE.

To the Public.

THE concurrent testimony of men of integrity and worth is the best evidence we can have of any fact of which we have no cognizance ourselves. The great advantages possessed by this article over every other, are—its CERTAINTY, SAFETY, CONVENIENCE and ECONOMY. All physicians admit that great danger is to be apprehended from dragging the eye when in an inflamed and unhealthy state. In the use of this salve this objection is entirely removed, as no harm can possibly result from its use: it being in all cases applied to the EXTERNAL portions of the eye, thereby avoiding all the inconvenience, pain and danger, which necessarily attend the introduction of any pungent article INTO the eye. Its activity in subduing inflammation is so great that but few cases require the use of more than one bottle to effect a perfect cure. One physician remarked to us, after having witnessed its effects in several instances, that it was a "PERFECT FIRE KILLER." We might multiply reasons why this salve should be preferred above every thing else in the treatment of diseases of the eye, but we prefer it should stand on its own merits. All we ask is that its virtues be thoroughly tested, and that the directions be strictly followed.

Every bottle of the genuine salve has the name

MITCHELL'S EYE SALVE.

blown in the sides of the bottle, and the written signature of the proprietor, D. MITCHELL, on the outside wrapper.

The great points are, it is not bad to take, never gives pain, and never leaves one costive!! For all these things it is warranted unequalled, and all who do not find it so may return the bottle and get their money back. This medicine is **LONGLEY'S**

Western Indian Panacea.

We assert there is no family medicine of half its virtues, and none that will so delight the users of it, and to convince all that these are facts, we offer as above. Try it without price, if you are not charmed by its effects. Fuller descriptions and an Almanac for 1848 gratis, with the agents for the country. (See below.)

The Human Hair

Is admitted by civilized as well as barbarous nations to be when full, flowing and perfect, the greatest ornament, and when imperfect or wanting the greatest disadvantage to the personal appearance of male or female. That it is a duty to preserve and beautify it, all will admit. This article has been for more than 20 years used extensively. It has the testimony of many of the most respectable citizens in this country, who certify to the fact that the

BALM OF COLUMBIA—

First, in all cases stops the hair falling out or restores it in most if fallen, and in all cases if lost by sickness and keeps off dandruff and scurf in infants and adults. Second, perfumes the hair and preserves it to old age from turning gray. Should always be used at toilette. Third, gives great vigor and rapid growth to the hair, and causes it to curl beautifully. Lastly, prevents all filth or its sequence on children's heads, and exceeds all other articles for the hair in quality, quantity and cheapness. Many articles have been started on the reputation of this, and are without merit though they have been and are sold at double the prices of this balm.

The piles, all sores, rheumatism, &c.

Hays' Liniment

Is an article more justly celebrated as a cure for the above, than any or all others. The cases of cure are almost innumerable, and it is only necessary to let those who know the article and have used it with such great success, know that it is to be had true and genuine, (for there are counterfeiters) of Dr. Lucius Comstock, 21 Cortlandt st. New York, and so of the rest of the articles here named.

To the halt and lame—Dr. Hewes' nerve and bone liniment is the most effectual cure for rheumatism and contracted cords and muscles.

The gray haired will find the Indian Hair Dye perfect and effectual.

For worms—Kolmstock's Vermifuge—*not Fuh-nestock's*—will eradicate and cure all children and adults who have worms. Caution. Beware of all unless the name is spelled Kolmstock's, the old Dutch name of the inventor.

For coughs and lung complaints use Dr. Bartholomew's Pink Expectorant syrup.

Sick head ache, though constitutional or incidental, is cured by Dr. Spohn's head ache remedy.

Lin's balm of China, for the cure of all diseases of man or beast that require external application.

Sold wholesale by Comstock & Co. 21 Cortlandt st. New York—by Geo. Howard, Tarboro'. M. Wesson, Gaston—F. S. Marshall, Halifax—Bennett & Hyman, Hamilton—F. W. Moore, Williamson—and by one person in every village in the United States and Canada. Nov. 9.
